Re: October 30, 2019 Interruption of Service Report

Dear Ms. Boyd:

Pursuant to South Carolina Code of State Regulations Section 103-614, below is a report of the Interruption of Service that was filed with the Federal Communications Commission (FCC) on October 30, 2019. A copy of Frontier Communications of the Carolinas, LLC's (Frontier) FCC filing is enclosed.

This Interruption of Service is not associated with the ongoing service outage in Georgetown County. It was due to a fiber cut between Pamplico and Florence in AT&T's territory and did not impact any voice customers.

Please let me know if Frontier can provide additional information regarding this matter.

Sincerely,

A handwritten signature in black ink that reads "Susan A. Miller". The signature is written in a cursive, flowing style.

Susan Miller

Enclosure
